TO WHOM IT MAY CONCERN

At Alowishus Delicious we trade late three nights per week. Thursday until 9pm and Friday and Saturday until 11pm. Your child may be required to work some or all of these shifts on any given week. As the week-ends are unpredictable as to how busy it will be, it sometimes makes it very hard to adequately staff. As such we have to run with a skeleton staff of three. Therefore if there is a late rush it generally means a late finish.

When we employee staff they are made aware of these hours. Staff who don't drive are advised to call their parents from the shop 10-15 minutes prior to the close being completed. This way parents and guardians are not inconvenienced having to wait around, and our Supervising Staff don't feel the pressure of holding parents up.

We are unsure if this has been communicated by all of our school student employees to their parents and as such we have decided to get written permission from all parents to further avoid any more confusion.

Please sign the permission slip below to show your approval.

Should you have any questions or need any clarification please call me on 0438 708 133, I will be very happy to chat with you.

Kind regards

Tracey McPhee - Owner

I give my permission for _____ to work late night closes at
Alowishus Delicious.

Parent/Guardian Name: _____ Signature: _____
